

DCS PIN DEBIT

NEW SERVICE AVAILABLE!!!

DCS is excited to announce another valuable service – Pin Debit! This popular payment option is another way for your customers to pay for products and services with all processing fully integrated into your DCS software.

How Pin Debit Works

At the time of the sale, customers who choose to pay with their Debit Card will be asked to swipe their card through a pin pad device* which will ask for their 4 digit PIN number associated with their card. By using their "PIN" customers validate their purchases, funds are checked, and once approved, funds are transferred daily to your business account.

Pin Debit Benefits

- Fast and easy way to receive payment
- Ability to reach more customers who prefer to pay with their debit card
- Integrated with your DCS Software

* Pin Pads are available through DCS and are required for Pin Debit Service

Pricing for Pin Debit Service is \$.45 + interchange per transaction For more information, please call 847-498-9955 x 1 or email sales@dcsorg.com
