

11/16/11

Dear valued client,

In observance of the Thanksgiving holiday, DCS offices will be closed on Thursday 11/24. Technical support hours will also be shortened on Friday 11/25 (open from 8:00am to 4:00pm Central Time). Back to normal operating hours on Saturday the 26thth. Please be advised that DCS will staff a skeleton support crew on Friday and that wait times experienced may be longer than normal. Thanks in advance for your patience.

24-hour emergency pager service will be available at normal charges over the weekend, and holiday charges on Thanksgiving Day.

Thank you for your attention in this matter, and we wish you a happy holiday!

-The DCS Team
